

4th Annual
International Yellowtail Derby 2012

~A little **Yellowtail Derby** in the **Spring** history~

The first 28 years of the **Yellowtail Derby**, began the end of March and ran for six months. Anglers were more interested in Tuna in the Fall. We listened! The move to **Spring** in 2011 brought many more anglers into the competition, as well as the number of fish caught, including the winning **39.5 lb. Yellowtail** caught in the waters off La Jolla. The **Yellowtail Derby** has added *excitement* to the traditional *Yellowtail Spring Bite*.

~ 2012 ~

The **Yellowtail Derby** will be competed from May 5th to June 10th *

This is a **Jackpot Tournament** with **100%** of the entry fees being returned to the anglers in **\$\$\$** and **exciting prizes**. At the **2011 Awards Banquet**, the **2011 Winning Angler** was 'weighed in' and 'Awarded' his weight in '**Ballast Point Pale Ale**'.

This year, the fishing area remains at **80 miles South of Point Loma** and **North to the Orange County line** and **80 miles west**. **All fish caught must be weighed in daily at certified weigh stations.**

Excitement is already building and we anticipate to have in **excess of 500 entrants over 36 days of competition** beginning May 5. The invitation to fish is open to all comers, including all of the 37 fishing clubs in San Diego County. The **Derby** will be promoted outside of San Diego via mass media, as well as on the internet.

The charity will be benefiting the **IGFA Junior Fishing Program**
