Call in Sick, Turn off your Phone, Go Fish'n

Parnell Kaiser Bags a Bigger one at Coronado today. Parnell and his brother Mike have vowed to fish everyday, weather permitting. They reported less pressure on the fish at the middle grounds today.

We are waiting patiently for the First legal **White Seabass**. The first one who catches one will be awarded a Great Prize. Several anglers will be hunting in La Jolla for the "Home Guard Tail" and White Seabass during the next few days.

Attached is an entry form for the Marlin Club Spring Shootout. Several Yellowtail Derby anglers have informed me they will enter the Shootout as well. It supports Friends of Rollo.

The Derby can be fished on private, open party boats and Kayaks. It will run for 35 days, Sunday, May 5 to June 9. Pre-fish Seminar and Party will be May 2 at the Bali Hai at 6 pm, Bob Vanian will speak. The Awards Party is on the June 9 at the Bali Hai Restaurant, 2 to 4 pm. *The Classic Weigh-in of the Winning Angler* as they will receive their weight in Ballast Point Pale Ale, *with a yellowtail on the label*. **Enter Anytime**, the fee is \$70, and can be made online at the website.
